EXT. SMALL TOWN - DAY

The sun is shining, joyful music is playing. SCOTT is on his BICYCLE riding down the streets of a small town. Everyone waves as Scott goes by, as they do, he waves back.

LOCAL OFFICER
Morning Scott.

SCOTT
Good morning.

Scott continues riding until he sees CANDACE, the most beautiful woman wearing a flower dress. The camera slows down and follows her as she walks across an intersection.

CANDACE
Good morning Scott.

Scott blushes.

SCOTT
Morning.

Scott rides past Candace.

SCOTT (cont'd)
(to himself)
God she's beautiful, I've gotta find a way to tell her.

A flower shop sign is seen down the road it reads, "Need to tell her? Look no further than here at Sam's Flowers."

SCOTT (cont'd)
Jackpot.

Scott rides to the shop and parks his bike.

CUT TO:

INT. SAM'S FLOWERS - DAY

The door opens to the shop and rings an old fashioned bell over it.

SAM
Howdy Scott, good to see ya. What brings you in today?

SCOTT
I saw the sign and finally decided that I need to tell her.

SAM
Whoever it is Scott, she'd be lucky to have ya. We've got a wide selection, take your time to find the right one for her.

SCOTT
Thanks Sam. I know exactly what to get.

A bouquet of flowers stands tall behind Sam. Scott points at them.

SAM
Solid choice my friend.

Scott pays for the bouquet. Sam tapes the card that says who its from on the bouquet it reads, "Flowers just as beautiful as you, text me. (phone number)- Scott". Scott leaves and gets on his bike.

SCOTT
Have a good one Sam.

SAM
Same to you and good luck.

CUT TO:

EXT. THE ROAD - DAY

Bright music is playing while Scott rides along the small town roads. The wind is picking up as Scott rides showing the card flapping.

SCOTT
SHIT.

Scott hits a bump in the road, the flowers fly into a nearby field.

CUT TO:

EXT. FIELD - DAY

SCOTT
Of all days it had to be today, just why.

Scott gathers the flowers, the card flies away.

SCOTT (cont'd)
No, no no.

Scott gets on his bike and chases the card.

CUT TO:

EXT. THE ROAD - DAY.

Scott catches up to the card, the tape has gone from it.

He rummages through his stuff to find something to attach it with, he finds CHEWING GUM.

SCOTT
Better than nothing I suppose.

Scott chews the gum and resumes his journey.

CUT TO:

INT/EXT. CANDACE'S HOUSE. - DAY

Scott pulls up on his bike and grabs the flowers. He attaches the card with the gum he was chewing.

SCOTT
Alright Scott, you got this.

Scott takes a deep breath, he walks up to the door, places the flowers and rings the doorbell.

CANDACE
Coming.

Scott begins to return to his bike, the card flies off. Candace opens the door. Scott has returned to his bike, he gives Candace a "cool" salute and rides off.

BOYFRIEND starts walking towards Candace.

CANDACE (cont'd)
Aww, thanks babe.

BOYFRIEND
Anytime baby.

Slow pan to the card on the ground, flying out of frame.
